Summary

A passionate front-end developer with 2.3 years of experience in a startup environment, specializing in developing high-performance websites. Skilled in creating user-friendly, responsive, and adaptive websites with enhanced cross-browser compatibility and runtime efficiency. Expertise in design, installation, testing, and maintenance of web systems. Proficient in HTML, CSS, Bootstrap, SCSS, JavaScript, jQuery, and AngularJS. Seeking an opportunity to join a front-end team to extend my expertise while working with experienced web development teams.
